As a trusted child care center, London Bridge Prep School offers developmentally-appropriate programs that will enhance your child's learning skills. Tailored according to their age, each of our program focuses on establishing a good foundation for learning. We believe that our programs are a great help as they step up to the next level of education.

All programs we offer include 3 nutritious snacks and warm meals. These programs are open until 7:00 PM for families and parents who are working late.

Enroll your child to **London Bridge Prep School**. For more details about our programs, please speak to our friendly staff at 281-394-3857.
